#NEGOTIATE - #PresentYourself

#Negotiate is an event, which aims to bring teens closer to the art of negotiation.

By having a diversified combination of seminar and workshop, we give teens the possibility to expand their knowledge regarding negotiation as well as offering them a direct exchange with experts. With this year's topic being #PresentYourself, the focus will be on the way you present yourself in negotiations as well as on social media.

We are happy to announce, that the Youtuber Joyce Ilg, the Influencer Caroline Julius and the Fashion-Blogger Gunnar Haemmerle from Styleclicker will be sharing their experiences and tips regarding this topic with us in Munich.
